Silver X Mining Announces Closing of Third and Final Tranche of Non-Brokered Private Placement

Vancouver, B.C., July 7, 2023 - SILVER X MINING CORP. (TSX-V: AGX) (OTC QB: AGXPF) (F: AGX) ("Silver X" or the "Company") announces that it has closed the third and final tranche of its previously announced non-brokered private placement offering (the "Offering") with the placement of a total of 8,600,750 units (the "Units") for aggregate gross proceeds of \$2,580,225. Under the third and final tranche of the Offering, the Company sold an additional 1,384,000 Units at a price of \$0.30 per Unit for additional gross proceeds of \$415,200. On June 5, 2023, the Company announced the closing of the first tranche of the Offering with proceeds of \$1,263,015 and on June 28, 2023, the Company announced the closing of the second tranche of the Offering with proceeds of \$902,010.

Each Unit consisted of one common share of the Company (a "Common Share") and one (1) of one Common Share purchase warrant (a "Warrant"). Each Warrant will entitle the holder to purchase one Common Share at a price of \$0.45 for a period expiring two years following the closing date of the Offering (the "Closing Date").

The Company intends to use the net proceeds from the Offering for capital expenditures and exploration related to the Nueva Recuperada Silver District in Peru (the "Project") and potential acquisitions of assets.

All securities issued and issuable in connection with the third tranche closing of the Offering are subject to a statutory hold period expiring on November 8, 2023. Closing of the Offering is subject to receipt of all necessary regulatory approvals including final acceptance of the TSX Venture Exchange.

Under the third tranche of the Private Placement, the Company paid fees to eligible finders consisting of: (i) \$900 and (ii) 3,000 finder warrants (the "Finder Warrants") exercisable into one Common Share at a price of \$0.45. Finder Warrants are exercisable until July 7, 2025.

This news release does not constitute an offer to sell or solicitation of an offer to sell any securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Silver X Mining Corp.

Silver X is a rapidly-expanding silver developer and producer. The Company owns the 20,000-hectare Nueva Recuperada Silver Project in Central Peru and produces silver, gold, lead and zinc from the Tangana Mining Unit. Our mission is to be a premier silver company delivering outstanding value to all stakeholders and we aim to achieve this by consolidating and developing undervalued assets, creating value by adding resources and

increasing production while aspiring to social and environmental excellence. For more information visit our website at www.silverxmining.com.

Cautionary Statement Regarding “Forward-Looking” Information

This news release contains forward-looking information within the meaning of applicable Canadian securities legislation (“forward-looking information”). Generally, forward-looking information can be identified by the use of forward-looking terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or state that certain acts, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved”. All information contained in this press release, other than statements of current and historical fact, is forward looking information. Forward-looking information contained in this press release may include, without limitation, exploration plans, results of operations, expected performance at the Nueva Recuperada Project (the “Project”), the ability of the new zones at the Project to feed production at the Company’s Nueva Recuperada Plant in the near term the expected resource expansion potential at the Tangana Mining Unit receipt of regulatory approvals; use of proceeds and the expected financial performance of the Company.

The following are some of the assumptions upon which forward-looking information is based: that general business and economic conditions will not change in a material adverse manner; demand for, and stable or improving price for the commodities we produce; receipt of regulatory and governmental approvals, permits and renewals in a timely manner; that the Company will not experience any material accident, labour dispute or failure of plant or equipment or other material disruption in the Company’s operations at the Project and Nueva Recuperada Plant; the availability of financing for operations and development; the Company’s ability to procure equipment and operating supplies in sufficient quantities and on a timely basis; that the estimates of the resources at the Project and the geological, operational and price assumptions on which these and the Company’s operations are based are within reasonable bounds of accuracy (including with respect to size, grade and recovery); the Company’s ability to attract and retain skilled personnel and directors; and the ability of management to execute strategic goals.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to those risks described in the Company’s annual and interim MD&As and in its public documents filed on www.sedar.com from time to time. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made. Although the Company has attempted to identify

important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
