SILVER X ANNOUNCES C\$2.0 MILLION NON-BROKERED PRIVATE PLACEMENT

Vancouver, B.C., October 14, 2022 - SILVER X MINING CORP. (TSX-V: AGX) (OTC QB: AGXPF) (F: WPZ) ("Silver X" or the "Company") is pleased to announce a non-brokered private placement (the "**Offering**") of up to \$2,000,000 consisting of 9,090,909 units (the "**Units**") at a price of \$0.22 per Unit. Each Unit will consist of one common share of the Company (a "**Common Share**") and one-half (1/2) of one Common Share purchase warrant (each whole Common Share Purchase Warrant, a "**Warrant**"). Each Warrant will entitle the holder to purchase one Common Share at a price of \$0.33 for a period expiring two years following the closing date of the Offering (the "**Closing**").

Proceeds of the Offering will be used for the continuation of the drilling program of the gold exploration targets around the Tangana project, for the advancing of the resource update on the Plata project, for working capital, and general corporate purposes.

Certain insiders of the Company intend to participate in the Offering. The issuances of Units to insiders of the Company pursuant to the Offering will be considered related party transactions within the meaning of TSX Venture Exchange Policy 5.9 and Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("**MI 61-101**"). The Company intends to rely on exemptions from the formal valuation and minority approval requirements in sections 5.5(a) and 5.7(1)(a) of MI 61-101 in respect of such insider participation, based on a determination that the fair market value of the participation in the Offering by insiders will not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101.

The securities being offered under the Offering will be issued pursuant to applicable exemptions from the prospectus requirements under applicable securities laws and will be subject to a hold period that will expire four months and one day from the Closing.

Closing of the proposed Offering is anticipated to occur on or about November 10, 2022. Closing of the Offering is subject to receipt of all necessary regulatory approvals including acceptance of the TSX Venture Exchange. The Company may pay finders' fees of up to 6% in cash or up to 6% in Warrants.

This news release does not constitute an offer to sell or solicitation of an offer to sell any securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

Cautionary Statement Regarding "Forward-Looking" Information

This press release contains forward-looking information within the meaning of applicable Canadian securities legislation ("forward-looking information"). Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain acts, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". All information contained in this press release, other than statements of current and historical fact, is forward looking information. Forward-looking information contained in this press release may include, without limitation, the ability of the Company to complete the proposed Offering, if at all, on the proposed terms, the use of proceeds of the Offering, exploration plans, results of operations, expected performance at the Project, the ability of the new zones at the Project to feed production at the Company's Nueva Recuperada Plant in the near term, the Company's belief that the Tangana system will provide considerable resource expansion potential, that the Company will be able to mine the Tangana Mining Unit in an economic manner, and the expected financial performance of the Company.

The following are some of the assumptions upon which forward-looking information is based: that general business and economic conditions will not change in a material adverse manner; demand for, and stable or improving price for the commodities we produce; receipt of regulatory and governmental approvals, permits and renewals in a timely manner; that the Company will not experience any material accident, labour dispute or failure of plant or equipment or other material disruption in the Company's operations at the Project and Nueva Recuperada Plant; the availability of financing for operations and development; the Company's ability to procure equipment and operating supplies in sufficient quantities and on a timely basis; that the estimates of the resources at the Project and the geological, operational and price assumptions on which these and the Company's operations are based are within reasonable bounds of accuracy (including with respect to size, grade and recovery); the Company's ability to attract and retain skilled personnel and directors; and the ability of management to execute strategic goals.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to those risks described in the

Company's annual and interim MD&As and in its public documents filed on www.sedar.com from time to time. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
