Silver X engages IR Labs Inc. to provide Investor Relations Services

The Company is also pleased to announce that it has entered into an investor relations agreement with IR Labs Inc. (“irlabs”). Pursuant to the agreement with irlabs dated September 3rd, 2023, irlabs has agreed to provide investor relations and communications services to the Company with a primary focus on developing and managing an investor relations and communications.

Pursuant to the agreement with irlabs dated September 3rd, 2023, irlabs has agreed to provide investor relations and communications services to the Company in exchange for a monthly fee of CAD\$8,500. The services include developing and managing an investor relations and communications program, including stakeholder relations. The term of the agreement is for a period of 6 months ending February 29, 2024. Either party may terminate the agreement by providing the other party with 60-days prior written notice before the end of the 6-month term. The agreement remains subject to acceptance by the TSX Venture Exchange. The contact person, address, email, and telephone number for irlabs are as follows: Alyssa Barry (Principal and Co-Founder), 400-22 E 5th Ave., Vancouver, BC, V5T 1G8, alyssa@irlabs.ca, 1-833-947-5227.

“We are excited to work with irlabs, one of Canada’s leading investor relations firms, to further engage with the investment community and ensure that we are effectively communicating our story to investors,” said Jose M.

Garcia, CEO of Silver X. “The investor relations team that has been assembled includes Paola Ricardo, who speaks Spanish, which we believe is critically with our core operations being in Peru. We believe irlabs will assist in providing investors with greater visibility on our progress.”

Alyssa Barry, irlabs Principal and Co-founder, comments, “We are very pleased to be supporting Silver X in its pursuit to be a premier silver company. We look forward to meeting current and investors to delve into discussions about Silver X’s projects, pipeline and growth potential.”

About Silver X Mining Corp.

Silver X is a rapidly expanding silver developer and producer. The Company owns the +20,000-hectare Nueva Recuperada Silver District in Central Peru and produces silver, gold, lead, and zinc from the district’s Tangana Mining Unit. Our mission is to be a premier silver company delivering outstanding value to all stakeholders and we aim to achieve this by consolidating and developing undervalued assets, creating value by adding resources and increasing production while aspiring to social and environmental excellence. Cautionary Statement Regarding “Forward-Looking” Information

This press release contains forward-looking information within the meaning of applicable Canadian securities legislation (“forward-looking information”). Generally, forward-looking information can be identified by the use of forward-looking terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or state that certain acts, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved”. All information contained in this press release, other than statements of current and historical fact, is forward looking information. Forward-looking information contained in this press release may include, without limitation, exploration plans, results of operations, expected performance at the Project, the ability of the new zones at the Project to feed production at the Company’s Nueva Recuperada Plant in the near term, the Company’s belief that the Tangana system will provide considerable resource expansion potential, that the Company will be able to mine the Tangana Mining Unit in an economic manner, and the expected financial performance of the Company, exploration plans and expected exploration results at the Lily 19 Concession and the Ccasahuasi Concession,

The following are some of the assumptions upon which forward-looking information is based: that general business and economic conditions will not change in a material adverse manner; demand for, and stable or improving price for the commodities we produce; receipt of regulatory and governmental approvals, permits and renewals in a timely manner; that the Company will not experience any material accident, labour dispute or failure of plant or equipment or other material disruption in the Company's operations at the Project and Nueva Recuperada Plant; the availability of financing for operations and development; the Company's ability to procure equipment and operating supplies in sufficient quantities and on a timely basis; that the estimates of the resources at the Project and the geological, operational and price assumptions on which these and the Company's operations are based are within reasonable bounds of accuracy (including with respect to size, grade and recovery); the Company's ability to attract and retain skilled personnel and directors; and the ability of management to execute strategic goals.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to those risks described in the Company's annual and interim MD&As and in its public documents filed on www.sedar.com from time to time. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
