**SILVER X MINING ANNOUNCES TERMINATION  
OF PRIVATE PLACEMENT**

*NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES*

Vancouver, British Columbia, November 13, 2024 – **SILVER X MINING CORP. (TSX-V: AGX) (OTCQB: AGXPF) (F: AGX)** ("**Silver X**" or the "**Company**") is announcing that it has agreed to terminate its private placement as announced by the Company on October 30, 2024, due to current market conditions.

"Given the dramatic fall in the price of equities, and in other metals, especially silver, we believe the market is no longer conducive for completing the offering on terms that would be in the best interests of the Company's shareholders," said Jose Garcia, CEO of Silver X.

**About Silver X**

Silver X is a rapidly expanding silver producer and developer. The Company owns the 20,472-hectare Nueva Recuperada Silver Project in Central Peru and produces silver, gold, lead and zinc from its Tangana Mining Unit. Silver X is building a premier silver company that aims to deliver outstanding value to all stakeholders, consolidating and developing undervalued assets, adding resources, and increasing production while aspiring to sustain the communities that support us and stewarding the environment. Current production, paired with immediate development and brownfield expansion opportunities, present investors with the opportunity to invest in the early stages of a silver producer with strong growth prospects. **Cautionary Statement Regarding "Forward-Looking" Information**

This press release contains forward-looking information within the meaning of applicable Canadian securities legislation ("forward-looking information"). Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is

expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or state that certain acts, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved”. All information contained in this press release, other than statements of current and historical fact, is forward looking information. Forward-looking information contained in this press release may include, without limitation, expectations regarding the completion of the Offering, the expected use of proceeds from the Offering, other sources of funds, exploration plans, results of operations, expected performance at the Project, the Company’s belief that the Tangana system will provide considerable resource expansion potential, that the Company will be able to mine the Tangana Mining Unit in an economic manner, and the expected financial performance of the Company.

The following are some of the assumptions upon which forward-looking information is based: that general business and economic conditions will not change in a material adverse manner; demand for, and stable or improving price for the commodities we produce; receipt of regulatory and governmental approvals, permits and renewals in a timely manner; that the Company will not experience any material accident, labour dispute or failure of plant or equipment or other material disruption in the Company’s operations at the mine and Nueva Recuperada Plant; the availability of financing for operations and development; the Company’s ability to procure equipment and operating supplies in sufficient quantities and on a timely basis; that the estimates of the resources at the Project and the geological, operational and price assumptions on which these and the Company’s operations are based are within reasonable bounds of accuracy (including with respect to size, grade and recovery); the Company’s ability to attract and retain skilled personnel and directors; and the ability of management to execute strategic goals.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to those risks described in the Company’s annual and interim MD&As and in its public documents filed on [www.sedarplus.ca](http://www.sedarplus.ca) from time to time. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
